Ms. Blackadar,

I represent the City of Portland Fire Department in connection with the outstanding fire and life safety violations at 12 Savoy Street. In December, you were sent a notice of violation for this property. You failed to respond to that notice of violations with a plan of action and have also failed to respond to other communications from the Fire Department. I have attached a copy of the notice for your reference.

By now, you have had ample time to complete the work required. Please call Katharine at 874-8400 to schedule a reinspection of the property. If you require some small amount of additional time to complete the work, please let me know when you will be done and we can work out a consent agreement.

We must hear from you no later than **Thursday, June 29, 2017**. If we do not hear from you, I will take that as an admission that you have not corrected the violations and will issue a summons for you to appear in court.

I appreciate your anticipated cooperation.

Anne
