Dear Ms. Machado -- We write in support of the Kaserman's application before you. My wife and I own and reside in the adjacent property at 53 Veranda St. To the best of our knowledge the so-called existing non-conforming unit has been in place since we moved here almost 12 years ago, and is a complete non-issue for us. The Kaserman's are great neighbors and have devoted considerable attention to improving their properties. They have excellent tenants who make good neighbors. You may approve the Kaserman application with no objection from us.

Regards,

Ruth & Roger Vogt
