To Whom It May Concern:

I lived in the rear apartment on the 1<sup>st</sup> floor of 21 Veranda St. from 1992-1996. It was rented to me as a 1 Bedroom. It was obvious that the bathroom and kitchens had been installed long before I moved in. I saw the apartment on the other side and the kitchen cabinets and bathroom were old as well.

All the utilities were included in the rent. There was only 1 boiler for the first floor. I could see where the wall had been installed down the middle. For these reasons I am sure the first floor used to be one large apartment that was split in two.

Sincerely,

Hi John,

I have a note that SD and CO do not meet code. Did you have anything else and did you need to reinspect?

Hi, Paul called to inquire @ his CofO for the above address. When I reviewed the account, it looks like the CO fee was not charged (I told him it needed to be paid first) but also he stated his final inspection had already been completed. I looked into that claim and it looks like Don failed him and a follow up inspection would be required. He stated it was just for a toilet and didn't need a follow up. Don, can you make sure this is accurate? He will be in to pay his C of O fee.
