Dear Licensee,

Health inspections of your establishment were performed on September 9 and 11 , 1998.

Attached is a copy of the inspection reports which indicates that the sanitary condition of your establishment at the time of the inspections were found to be unsatisfactory. The scores were 32 and 56. The minimum marginal passing score is 78.

On September 9, 1998 you agreed that you would voluntarily cease operations until corrections can be made and a satisfactory reinspection occurs and all operations comply with the standards set forth in Chapter 11 of the City's Ordinance.

If you fail to remain closed, our office will refer the matter to the City's Corporation Council to seek suspension of the license pending revocation hearing pursuant to Chapter 15 of the City Code.

On Monday, September 14, 1998, Myself, Mike Nugent, Inspection Services Manager, our Legal Dept. and City Clerk will be meeting to discuss the possibility of suspension or revocation of your City Food Service License. We will advise of the outcome of this meeting.

Please contact me at 874-8693 to discuss the matter .

Sincerely,

Thomas Reinsborough

Code Enforcement Officer
