Hello All,

Here is the final wrap up email:

Phil is coming in today to pay for the application as stated in the check off list as a requirement. I have sent you over **10 separate emails and PDF attachments** including this one relating to all requested materials that is on the check off sheet and website please confirm that it is complete or what is missing. All emails have been sent to the general building permit email, Lannie Dobson and Brad Saucier I have sent all requested materials in **separate emails in PDF format there should be 9 separate sheets/attachments of required materials according to the city websites and forms.** This is an application for a **heating permit for 25 Lennox St in Portland** for Rush and Allison Brown property owners We are not the builders or general contractor for this job and have been hired separately by the owners to complete the heating system. There is no external materials being used and there is no AC being installed by Snyders.

Thank you,
Alise Snyder
