

Proposed Work For:

17 Richmond Street

Portland, ME 04103

17 Richmond St. is a 2 unit apt. building. It offers #1 apt on first floor and #2 apt on second floor. The apts are the exact same layouts and sizes. They represent a living room, dining room, two bedrooms, kitchen and one bathroom per floor. Both apts will get the same work and updates to them.

1. New wiring and smoke detectors throughout property.
2. Update existing (2) bathrooms without moving fixtures.
3. Install new/move (2) kitchens to different walls in the same room.
4. Sand Floors throughout building.
5. Sheetrock or skim coat all walls throughout home.
6. Paint entire interior of home.
