Hello Chris,

Thank you for clearing this up. I unfortunately cannot make the meeting tonight as I coach my sons basketball team and we have practice at the time of the meeting.

However, I am against any sort of business going into a residential neighborhood. There are plenty of other spaces in Portland where they can set up their business. I just wasn't sure how to go about expressing that if I am not there in person.

Thank You.

Hi Michelle,

Apologies for not getting back to you more quickly. The application is for the tenant (who I believe is the daughter of the landowner) to operate an aesthetician/permanent makeup business within her dwelling unit. She is applying under the provisions of Sec 14-410 Home Occupation regulation (see: <http://portlandmaine.gov/DocumentCenter/Home/View/3659>)

If you want to e-mail me any comments you have as soon as possible, I can distribute them to the applicant and board members before the meeting tonight. You are also welcome to attend the meeting and speak there - it begins at 6:30 in room 209 at City Hall.

Sincerely,
Chris Stacey

Zoning Specialist

Hello,

I am inquiring on a notice I received for a resident looking to have a business inside their home.

I am a little confused. Is it the owner of the building that is looking to do this or the tenant?

Either way – I am against putting any business in our neighborhood. It is a residential neighborhood and I would like it to stay this way. How do I voice my opinion if I cannot make the meeting Thursday night on March 1st?

Thank You.
