**Invoice Total \$125.00**

ITEM	DESCRIPTION	COST	QTY	PRICE
Bed Bug Treatment				
Bed Bug Pesticide Treatment	Vacuuming all bed bugs and eggs from structure, furniture, and contents, and application of residual pesticide dust/liquid to crack/crevices around structure, furniture, boxspring, frame, etc.	\$125.00	1	\$125.00

53 Allen Ave

#5: Tenants prep was not good, lots of clutter around perimeter and on couches. Inspected for bed bugs and found heavy signs and activity throughout unit. Also found a can of hot shot which makes sense because activity was found sporadically throughout unit. Would most definitely recommend heating this unit due to that and if not it will take multiple sprays to resolve the issue. Applied a preventative spray today to the bed, couches, and as much of the perimeter as possible.

**Terms**

Payment is due in 30 Days from Invoice date

\*There will be an interest charge of 1.5%/month on late invoices

Thank you for your Prompt Payment!
