### Preparation List for Spraying of Pesticides (For Roaches)

- Remove all food that can potentially be contaminated.
  - Place all food in containers, cabinets or the refrigerator.
- Remove all animals from home.
- Move your furniture away from the edges of walls and corners to prepare the walls for spraying. (Check to see if any debris has fallen behind)
- Remove all clothing/clutter from floor. (It is recommended to put clothing in bedrooms through a dryer on high for at least 30 minutes)
- Vacuum Thoroughly
