Notes: All unit kitchen cabinets are to be replaced. Refer to unit plans and elevations for more information.
Refer to unit plans, reflected ceiling plans, and electrical plans for typical light fixtures scheduled to be replaced.
Disposal information is provided for planning purposes. Coordinate reinstallation while resetting kitchen sinks.
Remove disposals and associated control switch (provide blank plate) as scheduled above.

Grab bars. Maintain existing grab bar locations (x) as is or update grab bars according to accessible unit plans (1).
Ceiling Fans provided for information. Maintain existing ceiling fan equipment and locations.
Communication strobes. Maintain existing strobes (x). Update/install strobe devices features for units with Communications Features (1). Refer to unit plans and electrical unit plans.
Ceiling and Wall Repairs. Repair cracks and holes in ceilings and walls where identified (typically off corners of door heads). Paint entire wall area adjacent to repaired section.
