Permitting By Appointment

As part of Portland's city-wide effort to improve customer service and help streamline doing business within the City, the Inspections Division has developed a new permitting system for qualified properties and for specific construction projects. Under this new program, you may be eligible to receive a building permit on the day you have a scheduled appointment with Inspection staff.

This permitting program applies only to existing one and two family homes not located within a historic district or shore land zone.

Eligible Projects

Please submit a complete application with the required plans

- Interior renovations, gut rehabs including structural changes
- Attached and detached garages
- Additions, decks, sheds, pools, dormers (two family addition must be less than 500 s.f.)
- Rebuild of any exterior structure listed above

Inspections are still required per City Code of Ordinance.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information visit us on-line at www.portlandmaine.gov, stop by the Building Inspections office, room 315 City Hall or call 874-8703.

I hereby certify that this project meets the above criteria and that the work performed will not go beyond these parameters.

Same-Day Permitting

As part of Portland's city-wide effort to improve customer service and help streamline doing business within the City, the Inspections Division has developed a new permitting system for qualified properties and for specific construction projects.

This permitting program applies only to existing single family homes not located within a historic district or shoreland zone.

Eligible Projects

Please submit a complete application with the required plans

- Interior non structural projects (i.e. Adding closets, bathrooms, changing floor plans, kitchen remodels)
- Repairs to existing decks, porches and stairs that meet current zoning setbacks
- Adding or replacing windows and doors (not to include bay windows)
- Sheds less than 100 sq. ft.
- One story open entry/porch, 50 sq. ft. or less with maximum 6 ft. projection from the principal structure
- Chimney installation (NFPA 211 disclosure statement required)
- Propane tanks
- Heating Appliances (i.e. HVAC systems, gas inserts/monitors, wood/pellet stoves)
- Bulkheads 50 sq. ft. or less with maximum of 2 ft. in height (low profile)

Inspections are still required per City Code of Ordinance.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit.
