Derek, this is just to clarify (for records) that based on the history of this project, the City of Portland has NOT charged for any of the permits on the Casco Bay Ferry Terminal. Since you have already sent out the check, we will destroy the check when received. Thanks!

Brad.

Here is our submittal for the new 2013 addition at the Casco Bay Ferry Terminal. I have sent the check separately via ground mail. If you have any questions or concerns, please do not hesitate to contact me.
