No need to do another agreement. The current agreement (attached) provides that it will renew upon your giving notice to us, which you have done. We'll consider these emails to be your notice of you exercising your right to renew and our consent. All we need now is the check! (By May 1). Thank you.

Thank you, Do I need an agreement with updated dates or should I just sign another copy of last years and included it with the check? I will get the signed agreement and the check to you in mid-April.

Michael,

Hi I am interested in renewing my lease on the 6 Commercial Street Address for 2017. I just pulled it out to begin that process and realized last years lease mentioned a February 1, 2017 date for renewal I hope that missing this date is not an issue for renewal.

Thank you

Thanks Norman. I added your address in the top paragraph. Please print and sign the agreement and return to me along with a check for \$4000 and the required insurance certificate. We'll then have the City Manager sign and return a fully executed copy of the agreement to you. Let me know if you have questions. Thank you.

Hello Norman  
I have attached a draft attached license agreement for Summer Feet's bicycle rental/tour operations on Commercial street. This agreement is still subject to internal review, so we might need to make additional changes. It is also subject to the City Manager's approval. Please take a look and let me know if you have any questions or concerns. Kathy will send along the diagram (Exhibit A) that is referenced in the agreement when she returns to the office next week. Thank you and I hope enjoy the holiday weekend.
