Robbie,

The Public Assembly Facilities Division of the City of Portland approves your request to erect a tent on the Maine State Pier. We understand the reason for usage relates to the Dierks Bentley concert on Thursday June 12th.

The tent would be erected on the 12th and taken down the same day.

Our approval should assist with the permitting process, and we wish you the best of luck with the upcoming event.

Please let me know if you have any questions or need any assistance.

All the best,

Andrew J. Downs
