The image is an aerial photograph of an event site. A white building labeled 'Unified Command Center (Saturday)' is situated on the left. To its right is a parking lot with several cars. A road curves around the top and right sides of the parking lot. In the foreground, a yellow rectangular area is outlined in red and labeled 'Beer Garden'. Inside this area is a white box labeled 'Tent 6 20x40'. A yellow path leads from the bottom of the tent area towards the command center. Two callout boxes labeled 'gate #1' and 'gate #2' point to specific locations on the perimeter. A third callout box labeled 'metal fencing' points to a dashed yellow line along the right side of the beer garden. The bottom left corner shows a concrete structure labeled 'Ocean Gateway'.
