**• Ozone Ready When You Are**  
Jacuzzi® Spas are preset for an optional Ozone Generator. Add this water purifier now or later to save time and money by reducing the need for chemicals.

Not available on Z-101. Ozonator included on Z-150.

**• Electronic Controls**  
State-of-the-art electronic controls offer fingertip control of the heater and water temperature.

**• Spa Cover**  
Optional fitted thermal covers are available for any Echo whirlpool spa you select.

**• Silent Air Induction**  
Our patented Silent Air Induction System gives you fingertip adjustment of the air and water mixture without a sound.

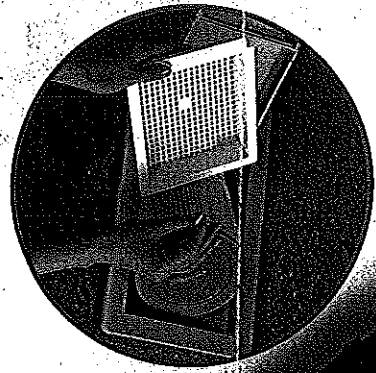

**• Jacuzzi® Adjustable Jet**  
Our patented jets mix air and water in equal parts for a consistently soothing mixture.

**• Durable High-Gloss Acrylic Shell**  
Our spas are noted for their long wearing high luster and easy-care, scratch resistant finish.

**• Patented Jacuzzi® Volume System Pump**  
Jacuzzi's exclusive system begins with the only pumps, specifically designed for spas, that gently massage your entire body.

**• Front-Load Filter Skimmer**  
Patented front-load skimmer/filter is easy to reach and easy to clean.

**• Slip-Resistant Floor**  
We feature slip resistant surfaces to assure the greatest degree of safety.

**• Underwater Lights**  
Red and blue colored lenses are included.

**• Factory Installed Wood Skirt**
