Dear Sir or Madam:

The City Council passed the following amendment on May 17, 1999:

Sec 11-37. Inspection Performance Requirements.

All licensed Food Service Establishments shall be inspected annually on forms approved by the State of Maine Dept. of Health Engineering. Establishments, which obtain a score between 79 and 84, may be inspected monthly until the establishment has achieved the score of 85 or above. Establishments with a score of 78 on two consecutive inspections shall be referred to the City Clerk for action pursuant to Chapter 15; provided, however, the foregoing shall not be construed to be a limitation on the authority of the City to refer violations to the City Clerk for action pursuant to Chapter 15.

Re-inspection fee for FSE is \$75.00 per re-inspection

The City of Portland Inspection Services Team has inspected the above Food Service Establishment on the following dates with the following results:
1/30/01: 84 2/20/01: 89

Based on this standard your establishment has been re-inspected 1 time on 2/20/01 after its original inspection on 4/4/01. You now owe the City of Portland **\$75.00** in re-inspection fees.

This fee must be paid within 30 days from receipt of this notice. Failure to pay the re-inspection fee will cause this office to notify the City Clerk for action pursuant to Chapter 15, including withholding future License renewals. Please fee free to contact me at 874-8700, if you wish to discuss this.

Sincerely,

Mike Nugent
