 PERMIT APPLICANT: Steven Danz
 CONTRACTOR: Steven Danz
 USE GROUP: R-3 CONSTRUCTION TYPE: 5B CONSTRUCTION COST: 10,000.00 PERMIT FEES: 84.00
 The City's Adopted Building Code (The BOCA National Building code/1999 with City Amendments)
 The City's Adopted Mechanical Code (The BOCA National Mechanical Code/1993)

CONDITION(S) OF APPROVAL

This permit is being issued with the understanding that the following conditions are met: 11' x 13', 15' x 19', 27' x 29', 32' x 34' # 31

1. This permit does not excuse the applicant from meeting applicable State and Federal rules and laws.
2. Before concrete for foundation is placed, approvals from the Development Review Coordinator and Inspection Services must be obtained. (A 24 hour notice is required prior to inspection) "ALL LOT LINES SHALL BE CLEARLY MARKED BEFORE CALLING."
3. Foundation drain shall be placed around the perimeter of a foundation that consists of gravel or crushed stone containing not more than 10 percent material that passes through a No. 4 sieve. The drain shall extend a minimum of 12 inches beyond the outside edge of the footing. The thickness shall be such that the bottom of the drain is not higher than the bottom of the base under the floor, and that the top of the drain is not less than 6 inches above the top of the footing. The top of the drain shall be covered with an approved filter membrane material. Where a drain tile or perforated pipe is used, the invert of the pipe or the shall not be higher than the floor elevation. The top of joints or top of perforations shall be protected with an approved filter membrane material. The pipe or tile shall be placed on not less than 2" of gravel or crushed stone, and shall be covered with not less than 6" of the same material. Section 1813.5.2
4. Foundations anchors shall be a minimum of 1/2" in diameter, 7" into the foundation wall, minimum of 12" from corners of foundation and a maximum 6' O.C. between bolts. Section 2305.17
5. Waterproofing and dampproofing shall be done in accordance with Section 1813.0 of the building code.
6. Precaution must be taken to protect concrete from freezing. Section 1908.0
7. It is strongly recommended that a registered land surveyor check all foundation forms before concrete is placed. This is done to verify that the proper setbacks are maintained.
8. Private garages located beneath habitable rooms in occupancies in Use Group R-1, R-2, R-3 or I-1 shall be separated from adjacent interior spaces by fire partitions and floor/ceiling assembly which are constructed with not less than 1-hour fire resisting rating. Private garages attached side-by-side to rooms in the above occupancies shall be completely separated from the interior spaces and the attic area by means of 1/2 inch gypsum board or the equivalent applied to the garage side. (Chapter 4, Section 407.0 of the BOCA/1999)
9. All chimneys and vents shall be installed and maintained as per Chapter 12 of the City's Mechanical Code. (The BOCA National Mechanical Code/1993), Chapter 12 & NFPA 211
10. Sound transmission control in residential building shall be done in accordance with Chapter 12, Section 1214.0 of the City's Building Code. Guardrails & Handrails: A guardrail system is a system of building components located near the open sides of elevated walking surfaces for the purpose of minimizing the possibility of an accidental fall from the walking surface to the lower level. Minimum height all Use Groups 42". In occupancies in Use Group A, B, H-4, I-1, I-2, M and R and public garages and open parking structures, open guards shall have balusters or be of solid material such that a sphere with a diameter of 4" cannot pass through any opening. Guards shall not have an ornamental pattern that would provide a ladder effect. (Handrails shall be a minimum of 34" but not more than 38". Exception: Handrails that form part of a guard shall have a height not less than 36" and not more than 42". Handrail grip size shall have a circular cross section with an outside diameter of at least 1 1/2" and not greater than 2". (Sections 1021 & 1022.0). Handrails shall be on both sides of stairway. (Section 1014.7)
11. Headroom in habitable space is a minimum of 7'6". (Section 1204.0)
12. Stair construction in Use Group R-3 & R-4 is a minimum of 10" tread and 7 1/2" maximum rise. All other Use Group minimum 11" tread, 7" maximum rise. (Section 1014.0)
13. The minimum headroom in all parts of a stairway shall not be less than 80 inches. (6'8") 1014.4
14. Every sleeping room below the fourth story in buildings of Use Groups R and I-1 shall have at least one operable window or exterior door approved for emergency egress or rescue. The units must be operable from the inside without the use of special knowledge or separate tools. Where windows or rescue windows from sleeping rooms shall have a minimum net clear opening height dimension of 24 inches (610mm). The minimum net clear opening width dimension shall be 20 inches (508mm), and a minimum net clear opening of 5.7 sq. ft. (Section 1010.4)
15. Each apartment shall have access to two (2) separate, remote and approved means of egress. A single exit is acceptable when it exits directly from the apartment to the building exterior with no communications to other apartment units. (Section 1010.1)
16. All vertical openings shall be enclosed with construction having a fire rating of at least one (1) hour, including fire doors with self closers. (Over 3 stories in height requirements for fire rating is two (2) hours. (Section 710.0)
17. The boiler shall be protected by enclosing with (1) hour fire rated construction including fire doors and ceiling, or by providing automatic extinguishment. (Table 302.1.1)

5/2/09

*19. All single and multiple station smoke detectors shall be of an approved type and shall be installed in accordance with the provisions of the City's Building Code Chapter 9, Section 920.3.2 (BOCA National Building Code/1999), and NFPA 101 Chapter 18 & 19. (Smoke detectors shall be installed and maintained at the following locations):

- In the immediate vicinity of bedrooms
- In all bedrooms
- In each story within a dwelling unit, including basements

20. A portable fire extinguisher shall be located as per NFPA #10. They shall bear the label of an approved agency and be of an approved type. (Section 921.0)

21. The Fire Alarm System shall be installed and maintained to NFPA #72 Standard.

22. The Sprinkler System shall be installed and maintained to NFPA #13 Standard.

23. All exit signs, lights and means of egress lighting shall be done in accordance with Chapter 10 Section & Subsections 1023.0 & 1024.0 of the City's Building Code. (The BOCA National Building Code/1999)

24. Section 25 - 15 of the Municipal Code for the City of Portland states, "No person or utility shall be granted a permit to excavate or open any street or sidewalk from the time of November 15 of each year to April 15 of the following year".

25. The builder of a facility to which Section 4594-C of the Maine State Human Rights Act Title 5 MRSA refers, shall obtain a certification from a design professional that the plans concerning construction of the facility, the builder shall submit the certification to the Division of Inspection Services.

26. Ventilation and access shall meet the requirements of Chapter 12 Sections 1210.0 and 1211.0 of the City's Building Code. (Crawl spaces & attics).

*27. All electrical, plumbing and HVAC permits must be obtained by a Master Licensed holders of their trade. No closing in of walls until all electrical (min. 72 hours notice) and plumbing inspections have been done.

28. All building elements shall meet the fastening schedule as per Table 2305.2 of the City's Building Code (The BOCA National Building Code/1996).

29. Ventilation of spaces within a building shall be done in accordance with the City's Mechanical code (The BOCA National Mechanical Code/1993). (Chapter M-16)

30. Please read and implement the attached Land Use Zoning report requirements. *See Attached*

31. Boring, cutting and notching shall be done in accordance with Sections 2305.3, 2305.3.1, 2305.4.4 and 2305.5.1 of the City's Building Code.

32. Bridging shall comply with Section 2305.16.

33. Glass and glazing shall meet the requirements of Chapter 24 of the building code. (Safety Glazing Section 2406.0)

34. All signage, shall be done in accordance with Section 3102.0 signs of the City's Building Code, (The BOCA National Building Code/1999).

*** ALL PLANS THAT REQUIRE A PROFESSIONAL DESIGNER'S SEAL, (AS PER SECTION 14.0 OF THE BUILDING CODE) SHALL ALSO BE PRESENTED TO THIS DIVISION ON AUTO CAD LT.2000, OR EQUIVALENT.

LAND USE - ZONING REPORT

ADDRESS: 2 Sellers Court Parsonsfield DATE: 5/9/00

REASON FOR PERMIT: Finish of existing room

BUILDING OWNER: Timothy Young C-B-L: 372-A-7

PERMIT APPLICANT: Steven Brown

APPROVED: with conditions DENIED: #1 #6, #10

CONDITION(S) OF APPROVAL

1. This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
2. During its existence, all aspects of the Home Occupation criteria, Section 14-410, shall be maintained.
3. The footprint of the existing _____ shall not be increased during maintenance reconstruction.
4. All the conditions placed on the original, previously approved, permit issued on _____ are still in effect for this amendment.
5. Your present structure is legally nonconforming as to rear and side setbacks. If you were to demolish the building on your own volition, you will not be able to maintain these same setbacks. Instead you would need to meet the zoning setbacks set forth in today's ordinances. In order to preserve these legally non-conforming setbacks, you may only rebuild the _____ in place and in phases.
6. This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval.
7. Our records indicate that this property has a legal use of _____ units. Any change in this approved use shall require a separate permit application for review and approval.
8. Separate permits shall be required for any signage.
9. Separate permits shall be required for future decks, sheds, pool(s), and/or garage.
10. This is not an approval for an additional dwelling unit. You shall not add any additional kitchen equipment, such as stoves, microwaves, refrigerators, or kitchen sinks, etc.
11. Without special approvals.

HARSONS POND CONDOMINIUM ASSOCIATION
BOARD OF DIRECTORS MEETING
MINUTES 18 APRIL 2000

The meeting was called to order at 6:30 pm by President Mike Spellman at the home of Ann and Tony Wedge. A quorum of Directors was present. Board member George Bernstein was absent. Guests included Jim and Kay Young, new owners of 2 Settlers Court, and Cheri Hutchinson and Stan Warren of Maine Properties, Inc.

A motion was made and passed to approve the minutes of the March 9 Board of Directors meeting.

The Treasurer's Report was presented, reviewed and accepted unanimously by the Board. A motion was made, and unanimously approved by the Board, to transfer \$25,000 in reserve funds from a Most Money-Reserve Account of Saco-Biddeford Savings to a new Certificate of Deposit for reserve funds which will earn increased interest.

The Managers Report of Activity dated April 12, 2000 was reviewed, discussed and accepted. Legal opinions provided by an attorney for Maine Properties were reviewed as pertaining to the matter of alleged business activity within the condominium complex. A motion was made, and approved unanimously, that the Board request by letter that the Endre/Johnson owners be requested to attend a Board meeting to explain deliveries and actions occurring at their residence.

Committee Reports were presented:

Landscaping Committee Chair Tony Wedge presented a review of the Spring and what has recently been accomplished. He requested a budget allocation for planting, which will be reviewed at the next board meeting. He will also review a possible renovation of the Memorial Garden.

Volunteer Committee - No Report

Recreation Committee - Chair Wally Huston reported that the tennis nets and summer outdoor furniture will be set out shortly. Necessary tennis court area surfaces will be repaired. A shuffleboard court and equipment is being considered to be added to the edge of the tennis area, inside the fence. Pool treatment and maintenance will begin around May 10, so that it will be available to members by the Memorial Day weekend. Plantings will be done around the pool area.

Visitation Committee - Chair Shirley Littlefield visited Jim and Kay Young, new residents at 2 Settlers Court, and will visit the new residents of 8 Cresfield Terrace after their arrival.

Pond Committee - CORRECTION FROM LAST MONTH'S MINUTES: Monte Small has kindly volunteered to work as Pond Coordinator, under the chairmanship of Vally Huston's Recreation Committee. Monte has added Aquashade, and Shirley Littlefield has already begun to trim vegetation from the pond's edges.

Old Business:
1. The Board approved Joyce Michaud, of 18 Wakely Court, request to install an exterior air conditioner.
2. The Board continued its review of the option of installing vinyl siding to condominium buildings. Two Contractors, Rich Aluminum and Steven Shugars, have submitted bids. The Board reviewed the bids, and considered options of different schedules of work, and alternative means of financing the work. A motion was made, and accepted unanimously, for the Board to pursue installation of vinyl siding, while also looking at cost reduction options in the ways of installation, without jeopardizing quality. Options will be discussed with contractors, and the quality of their work will be reviewed. If costs are considered prohibitive, painting will be considered as an option. A final decision for vinyl siding installation will be referred to owners by the Board, before any work is begun.

New Business -

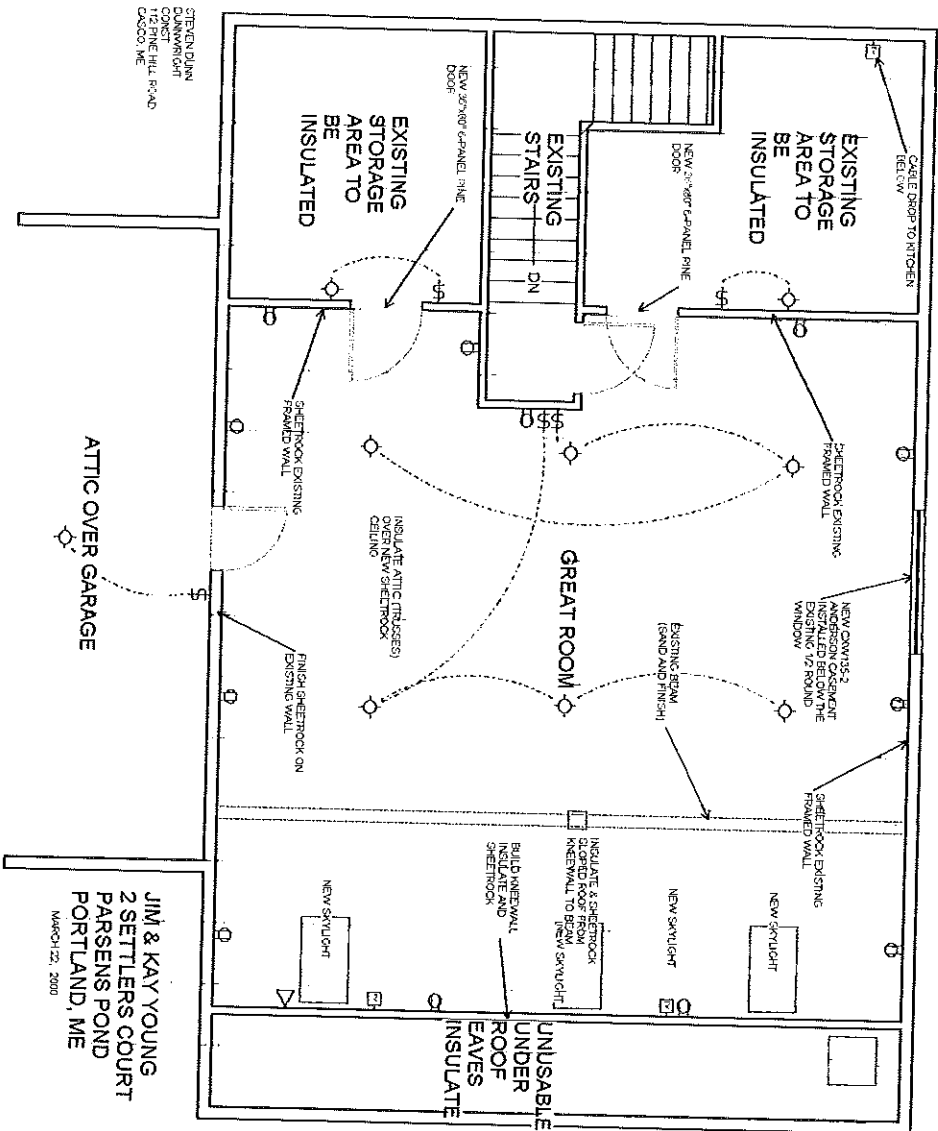

1. The request of Jim and Kay Young of 2 Settlers Court to develop their attic was considered, and reviewed, with input by Stan Warren of Maine Properties. The Board granted the request unanimously, to be in accordance with the Letter design of April 7 and plans, previously submitted. Permits are to be obtained by the owner, and provided with contractor insurance, to Maine Properties prior to construction. The owner is responsible for all costs incurred and/or damages to condominium association property.
2. The request of Lauren Saliba-Goodwin of 8 Cresfield Terrace to install a bathroom fan vent pipe was approved, with sleeves as solid metal pipe screwed together, and with a Contingencies Permit obtained by the owner.

Items of Interest: None

The next monthly meeting of the Board of Directors will be held at 6:30 pm on May 11, at the Spellman residence. The next Owners Meeting will be held on May 22 or 24, 2000, presumably at Andover College. A notice will be sent to all owners.

The meeting adjourned at 9 pm.
