STATE OF MAINE
CHIMNEY or FIREPLACE DISCLOSURE

Dear Consumer: State law, specifically 32 M.R.S.A., Chapter 33, requires chimney or fireplace installers, as of January 1, 1992, to provide you with this DISCLOSURE prior to the installation work being done on your chimney or fireplace. The purpose of this Disclosure is to help you, as a consumer, make an informed decision as to the abilities of the installer and under what requirements the installation must comply. It is important to note that the State of Maine does not require registration or licensure of chimney or fireplace installers; however, it is just as important to realize that there are many fires caused each year by improperly constructed fireplaces and chimneys. For further information about this law, call the Division of Licensing & Enforcement at 1-207-624-8603 or write to the Division at 35 State House Station Augusta, Maine 04933

FOR TLC HOMES

Please check the type of unit(s) that will be installed:

1. Factory built chimney and chimney units

Factory built chimney and chimney units shall be listed and shall be installed in accordance with the temperature conditions of the listing and the manufacturer's instructions and all requirements of NFPA 211 for chimneys, fireplaces, vents and solid fuel appliances.

2. Masonry Chimney

Masonry chimneys shall be designed, anchored, and supported and reinforced as required by NFPA 211 for chimneys, fireplaces, vents and solid fuel appliances.

3. Metal Chimneys

Metal chimneys shall be constructed in accordance with NFPA 211 and shall apply good engineering practices as necessary for:

1. Strength to resist stress
2. Adequate anchoring and bracing
3. Durability
4. Security against leakage
5. Allowances for thermal expansion

4. Factory Built Fireplaces

Factory built fireplaces shall be listed and shall be installed in accordance with the terms of it's listing and all applicable sections of NFPA 211.

5. Masonry Fireplaces

Masonry fireplaces shall meet the requirements of NFPA 211, chapter 7 and all other pertinent sections.

6. Other

Please list on a separate sheet of paper if making repairs of pre-existing chimneys, such as repair or replacement of chimney liners, etc.

Consumer Checklist

1. Have you asked for references to be provided by the installer?
2. Is the installer familiar with the NFPA 211 Codes and does the installer carry a code book?
3. If the installation is a prefabricated chimney or fireplace, is it's manufacturer registered with the Maine Oil & Solid Fuel Board?
4. Does the installer provide any type of written guarantee for the product installation being proposed?
5. Has the installer provided you with a written contract? 10 M.R.S.A. Chapter 219A requires written contracts for any home remodeling or construction with an estimated cost in excess of \$1400.00.
6. Have you asked the local fire department or code enforcement officials to inspect the installation during construction and after completion?

Note: This form may be reproduced; however, it's contents may not be altered in any way.
