CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

Ernest C Miller
51 Hammond St.
Portland Maine

August 3, 1960

Dear Sir:

With relation to permit applied for to demolish a building or portion of building at 51 Hammond St. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspector until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

Albert J. Sears

Dear Sir: On September 7, 1959 an examination was made of the premises located at 21 Howland Street, Portland, Maine. In accordance with the provisions of the above ordinance, you are hereby ordered to correct these defects according to specifications within the time limits allowed. Failure to comply with this notice will constitute legal action. Some repairs or improvements required will necessitate permits which are to be obtained from the Building Inspector, Health, Fire or other City Departments. These must be obtained before the work is started. If any additional information is desired, visit or telephone the Housing Supervisor at this Office, Room 4-8221, extension 228. kindly notify this office as soon as all corrections have been completed.

Very truly yours,
Douglas H. Brown, M. D.
Health Director

Housing Supervisor

VIOLATIONS & SPECIFICATIONS

Responsibility of Owner or Agent ** Responsibility of Occupant

- STRUCTURAL**
 - 1. Repair and put in good order all dilapidated and hazardous parts of the structure as follows:
 - Replace the missing bricks and point up the loose joints on all sides of the foundation.
 - Repair or replace the loose, worn, broken, or missing drain pipes on the left and right sides of the structure.
 - Repair, replace, or demolish the dilapidated shed and garage.
 - Repair or replace the cracked, loose, or missing plaster on the ceiling of the toilet room in the basement of the structure.
- CHIMNEY**
 - 1. Determine the reason and remedy the condition which now causes the chimney to sag above the roof line.
 - 1. Point up the loose joints in the chimney above the roof line.
- PLUMBING**
 - 1. Check and have repaired all defective plumbing and plumbing fixtures throughout the structure.
 - Install a private bath or shower conveniently located in each dwelling unit or install a bath or shower conveniently located within the structure that may be shared by all the occupants, providing, however, that those who must share do not have to pass through another dwelling unit in order to gain access.

The above mentioned conditions are in violation of the City Ordinances, MINIMUM REQUIREMENTS FOR DWELLING OCCUPANCY, and AUTHORITY TO REGULATE DWELLINGS, and must be corrected on or before **May 7, 1960**.
