CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

July 6, 1964

Portland Removal Authority

Gentlemen:

With relation to permit applied for to demolish a building or portion of building at 9 Carey Lane it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspector until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

Albert J. Sears
Director of Building Inspection

AJS/h

Eradication of this building has been completed.
