DEPARTMENT OF BUILDING INSPECTION

December 12, 1967

Santino Viola  
84 Payson St.

With relation to permit applied for to demolish a building or portion of building at 208-210 Cumberland Ave. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the Ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspection Department until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

*Gerald E. Mayberry*

Gerald E. Mayberry  
Director of Building & Inspection
