RECEIVED

Building Inspection Department.

This building, at 14 Anderson St., Portland is currently listed as a 2-family house in the city records. However, it has been 1 a 3-family for many years now. The owners, kathleen Meehan and Mortin Schindler, wish to sell the house now, and we are checking with the city to make sure it complies with city zoning regulations. need to get a change of use permit 3. family. The house is located 2- Family to a. zone, sits on a lot of land 3272 ± in a R-6 Square feet and does have room for the required parking. There are front and rear stairways, and the building is very well suited as a 3-family, as you will when lif you inspect it. We all believe that everything in the house complies with city codes. The fire department made an inspection a couple of years ago and violations. Please approve this speedily. Thank you vory much, found no Mike Holly day.

NOTES

BP 48/970-2.dt. #1-I

June 25, 1948

Mr. Joseph Mazziotti 69 Presumpscot Street Portland, Maine Subject: Amendment No. 1 to permit 18/970 covering change in size of proposed 2-story addition on roar of dwelling at 14 Anderson Street

Dear Sir:

The above exendment is issued herewith on the basis that the center girder at each floor level will be 6x6 instead of the 4x6 indicated in the application for exendment, which does not figure cut now that the width of the addition is being increased from six feet to nine feet. If you are not willing to do this, no work on the addition should be started.

Very truly yours,

Inspector of Buildings

AJS/S

CC: Hr. Joneph Casey 14 Anderson Street

June 15, 1914

Mr. Joseph Mezziottl 63 Prosumpscot Street Portlend, Maine

Subjects Pensit for construction of 2-story addition of x 16° on ruar of dwelling at 1. Anderson Street

Cear Sir!

The penuit for the above work is issued herewith subject to the following:

- 1. Although not indicated in application, a girder will be required at each floor level, extending from the center post back to the building, for the support of the floor timbers. These girders, as well as the sills, are required to be no less than axis placed with the 6-inch dimension vertical. The floor timbers are required to be supported on top of the sills or to be noted ever no less than 222 milling strips spiked to the sides of the description. Merch no less than 2x3 mailing strips spiked to the sides of the Mercly tos-mailing through ends of joists into the sides of salis and girders is not allowable.
- 2. The 4x6 corner and intermediate posts are required to extend in one length from sill or concrete pier to plate supporting roof unless lap splices no less than 13 inches long are used,
- 3. Hode or bolts over which the posts or sills may be placed are required in the tops of the concrete piors.
- 4. No closing in of walls or ceilings, if contemplated, should be done until inspection and approval by this department has been gade.

Very truly yours,

CO: Er. Joseph Casey 14 Andorson Stract
