Mr. Charles Curlew 76 Anderson Street Portland, Mains

Dear Mr. Curlews

Re: 76 Anderson Street

We recently made an inspection of the property owned by you at 76 Anderson Street, Portland, Maine. As a result of the inspection, you are hereby ordered to correct the following substandard! ding conditions:

STRUCTURAL
Repair and put in good order all dilapidated and bazardous
parts of the structure as follows:
a. Replace the missing bricks and point up the
loose joints on the front right side of the
foundation.

Check and have repaired all defective electric wiring and electrical equipment throughout the structure.

a. Install convenience cutlets in the rear bedrooms of the structure.

The above mentioned conditions are in violation of the City Ordinance, MINIBUM STANDAR'S FOR CONTINUED COUPANCY, and AUTHORITY TO VICATE BUILDINGS, and must be corrected on or before Ayrel 16, 1960.

Very cruly yours,

Douglas H. Brown, H. D. Health Director

CITY OF PORTLAND, MAINE DEPARTMENT OF BUILDING INSPECTION

Portland Redevelopment Authority 389 Congress St. Portland Maine

September 12, 1961

Gentlemen:

AJS/jg

With relation to permit applied for to demolish a building or portion of building at R. 74-76 Anderson St. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspector until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

Albert J. Sears Inspector of Buildings

Eradication of this building has been completed.
