August 9, 1927

I. E. Strout
22 Monument Square
Portland, Maine

Dear Sir:

Enclosed is the building permit in the name of the proprietors of Portland Pier to cover the erection of a shed to be used for a steamboat landing and storage of supplies on Portland Pier.

It is noted that the most of this shed is to be an open one, and that a space about 18 x 20 is to be enclosed in one end. In order that there may be no misunderstanding, please take note of the fact that it is the ruling of this department at the side of this enclosure underneath the canopy of the runway to be covered with metal on the outside as well as the further exposed outside wall.

The permit is given upon the condition that this specification is observed.

Yours truly,

Inspector of Buildings

June 21, 1983

Ledgewood Inc.
P.O. Box 8107
Portland, Maine

Dear Sir:

Your application to make renovations at 114 Portland Pier, Portland, Maine has been reviewed and a building permit is herewith issued subject to the following building and fire code requirements:

1. A separate permit and approval will be required for the fire alarm system.
2. Internally lit exit signs and emergency lighting shall be provided for all exits and paths to reach same.
3. All doors involved in the means of egress shall be equipped with latch sets which shall open from the inside without the use of keys, special knowledge, or ability, but by merely turning the usual knob or by pressure on a plate or lever.
4. Plumbing & electrical permits must be obtained by masters of their trade.

If you have any questions on these above requirements, please don't hesitate to call my office at 775-5451, City Hall.

Sincerely,

P. Samuel Hoffses
