AM Inquiry

Can I have a part of smoke house
walls 9'-4" x 11'-6" - outside
height 15' high using 8"
brick walls?

Answer

Class: Tell Mr. Grant when he comes in that, if, as I understand, this
part of smoke room or house is to be outside the present building, the exterior
walls are required to be 12" thick. If the house were inside, probably
the walls could be 8" thick.
