AP- End of Central Wharf

Sept. 7, 1961

Mr. Charles Madsen
11 Olympia Street

cc to: Fulham Bros., Inc.
21 Central Wharf

Dear Mr. Madsen:

Building permit for construction of a roofed-over screened-in storage area about 10 feet by 10 feet on southerly end of building at the above named location is issued herewith subject to the following conditions:

1. Sills around the three sides of the platform are to be 4x6's laid flat supported down to the wharf planking by 1x6 posts at the corners and at intervals of about three feet on the side where floor timbers are supported.
2. Floor timbers of 2x8 spaced 16 inches on centers are to rest on top of sill and to be covered with planking.
3. Rafters are to be 2x6 spaced 16 inches on centers and supported on outer end by a 4x4 plate supported at the corners and at intervals of about 3 feet by Class C labelled roll roofing.
4. There are to be no solid enclosing walls, but enclosure is to be made with heavy mesh wire screening.
5. The space around the edges of the platform between the floor and wharf surfaces is to be screened in as above or made tight with sheet metal.

Very truly yours,

Albert J. Sears

cc to Fulham Bros.
Central Wharf

Gentlemen:

Building permit for construction of a one story wood frame addition 13 feet by 21 feet for enclosure of cooking oil storage tanks on end of existing building used for food processing at above named location is issued herewith based on plan filed with application for permit, but subject to the following conditions:

1. Since the 2x4 studs in walls are to have an unsupported height of over 10 feet, horizontal 2x2 bridging is required at a level about halfway between the floor and the plate.
2. All woodwork at eaves and other locations on outside of building which would otherwise be exposed to the open air is to be covered with sheet metal where asbestos covering is not used.

Very truly yours,

Albert J. Sears

DATE 15

REMARKS:
Done while I was on vacation,

CITY OF PORTLAND, MAINE
BUILDING & INSPECTION SERVICES

Date August 20, 1985

To: Shaw Bros.
contractor
511 Main St., Gorham, Me. 04038

With relation to permit applied for to demolish a 1 steel bldg. & 4 Wood Bldgs.
at (address) Central Wharf belonging to

(owner) Liberty Group-38 Preble St. It is unlawful to commence demolition work until a permit has been issued from this department.

313
Section 6 of the Ordinance for rodent and vermin control provides, "It shall be unlawful to demolish a building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building and Inspection Services Department until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department."

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

NOTICE - PER MUNICIPAL CODE
A PERMIT TO DEMOLISH OR REMOVE A
STRUCTURE SHALL EXPIRE THIRTY (30)
DAYS AFTER THE DATE OF ISSUANCE.

Very truly yours,

P. Samuel Hoffes
Chief of Inspection Services

Health Department comments: ok for demo - if during demo
owner rat infestation noted demo to cease immediately.

RE: Central wharf

Dear Sirs:

Permit to demolish 1 steel building (2 stories) and 4 wooden buildings is being issued with the following requirements:

- 1) Northern Utilities requires that no demolition work begin until they release final permission. Please contact Dan Cote at Northern Utilities for further information at 797-8002.
- 2) John Vandoloski, Ass't Chief of Inspections, released the permit for issuance with the restriction that if during demolition serious rat infestation is noted, the demolition will cease immediately. He should be notified at that time.

Very truly yours,

MARGE SCHMUCKAL,
ACTING BUILDING CODE EXAMINER
