Re: 19 Brattle Street

Sir:

Your permit application to change the use of a structure, at the above named address, is hereby denied for the following reasons.

- (1) Plans are incomplete
- (2) Handicapped facilities are not shown
- (3) A vestibule must be provided at rest room entrances.

Please resubmit with the information required above. If I may be of any assistance, please call and make an appointment to see me.

Yours truly,

Walter Hilton

With relation to permit applied for to demolish a approx 20' x 30'  
at (address) 19 Brattle Street belonging to  
(owner) Camara & Eaton Inc.  
commence demolition work until a permit has been issued from this  
department.

Section 6 of the Ordinance for rodent and vermin control provides:  
"It shall be unlawful to demolish a building or structure unless  
provision is made for rodent and vermin eradication. No permit  
for the demolition of a building or structure shall be issued by  
the Building and Inspection Services Department until and unless  
provisions for rodent and vermin eradication have been carried out  
under supervision of a pest control operator registered with the  
Health Department."

The building permit for demolition cannot be issued until the  
provisions of this section have been satisfied. It is the obli-  
gation of owner or demolition contractor or both to take up with  
the Health Department the matter of complying with this section,  
being prepared to inform that department what registered pest  
control operator is to be employed.

**NOTICE - PER MUNICIPAL CODE  
A PERMIT TO DEMOLISH OR REMOVE A  
STRUCTURE SHALL EXPIRE THIRTY  
(30) DAYS AFTER THE DATE OF  
ISSUANCE.**

Very truly yours,  
Walter W. Hilton

Dear Mr. Camara

A building permit to change the use of this building from a two-family dwelling to an antique shop, as per plans submitted with the application, is being issued with the understanding that the storage you show on the second floor is the type that you would sell in an antique shop - such as table, rugs, chairs, etc. No heavy objects or piles of materials, such as magazines, newspapers, as a concentrated load are allowed under this permit until more information is provided on the strength of the second floor.

If you have any question on this, please do not hesitate to call here at this office.

Mr. Albert Sirois  
37 Lyman St.  
Westbrook, Maine

Dear Mr. Sirois:

Building permit for re-building of entrance platform on front of dwelling at 19 Brattle St. is issued herewith subject to the conditions listed below. If you are unwilling or unable to provide the construction indicated or if you do not understand what is meant, no work is to be started and the permit is to be returned to this office for adjustment. Conditions under which the permit is issued are as follows:

1. There is no indication as to the type of foundation for the new platform. Unless there is an existing foundation extending at least four feet below grade, one will need to be provided. Cedar posts, pipe columns or concrete piers may be used for this purpose. If pipe columns are used they are required to have an outside diameter of not less than three inches. Concrete piers are required to be at least eight inches square at the top and 10 inches square at the bottom or, if cylindrical, must have a diameter of not less than 10 inches unless a footing is provided, in which case the diameter may be not less than 9 inches.
2. Floor timbers are to rest on top of the sills, not cut in between them.
3. If the new window opening is to be wider than 30 inches, a double 2x4 header is to be provided with double studs at each side of the opening, the header to rest on top of the inside studs.

Very truly yours,

Warren McDonald

RE: 19 Brattle Street, Portland, Maine

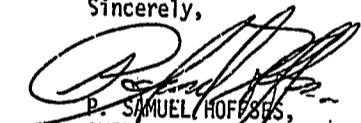

Dear Sir:

Your application to make alterations in basement and make a new outside stairwell has been reviewed and a building permit is herewith issued, subject to the following requirements:

1. The basement area cannot be used for public assemblage use unless that area is sprinkled in accordance with the provisions of NFPA.
2. If the basement is to be used as an assemblage, a separate permit must be obtained.

If you have any questions on these requirements, please call this office.

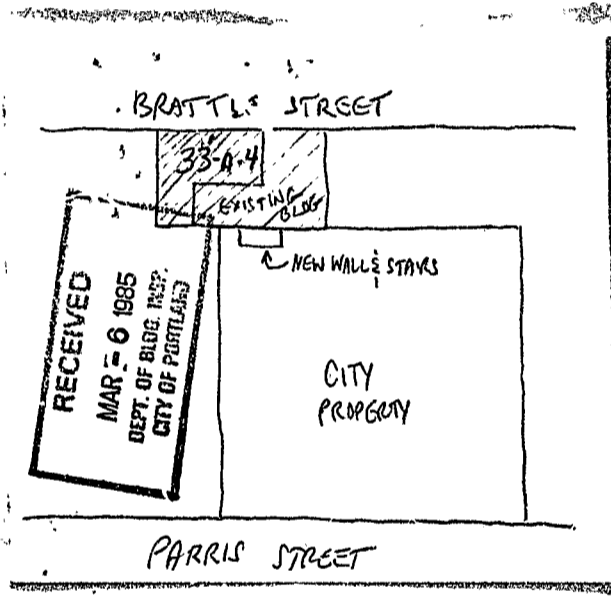

Sincerely,

Re: Lease of City Property

Dear Mr. ~~Easton~~ Easton:

As authorized by the City Council on October 1, 1984, this letter gives you a periodic tenancy over the area described in your letter of September 19, 1984, which is approximately 4 1/2 feet deep and 15 feet long, running alongside your building. This tenancy is expressly for the purpose of allowing you to maintain a lawful exit to your adjacent structure and is to run from year to year until terminated by the City of Portland on ninety (90) days' prior written notice. The rental is to be \$300 per year, payable on receipt of this letter, and each year on the anniversary of the receipt of this letter.

It is further the understanding of the tenancy that if there are any claims made as a result of your construction work, maintenance, or use of this area against the City of Portland, you will indemnify and hold the City of Portland harmless for all costs associated with those claims, including costs of defense, and that you will at all times maintain in effect liability insurance in the minimum amount of \$300,000 for death and bodily injury. If you breach those conditions, the City may terminate the agreement immediately.

The City is extremely pleased to be able to assist you in this matter, and if I can be of any further assistance, please contact me.

Very truly yours,

Stephen T. Honey  
City Manager
