CITY OF PORTLAND, MAINE PUBLIC WORKS DEPARTMEN.

To: Warren McDonald

DATE: March 31, 1948

Farm: George H. May

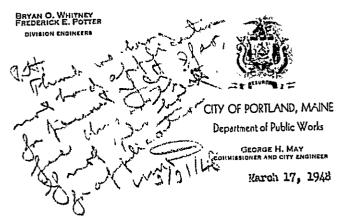

Busser: Gasoline Storage Tank at our Hanover Street Garage.

Please be advised that our recently purchased 3,000 gallon gasoline tank has an underwriter's plate attached, which reads as follows:

Underwriters Laboratories Inc.
Inspected
Underground Storage Tank for Hazardous Fluid
Metal #7 United States gauge #8 284886
Buffelo Tank Corporation
Buffalo, New York

GHBI/mr

CLARENCE A. GATO SECRETARY FRANK W. BRYANT SUPELINTENDELIT

Department of Public Works Portland, Maine

Dear Sira:

As requested in your petition of October 20, 1947, which petition was granted by the City Council on October 20, 1947 subject to the approval of the City Menager, Inspector of Buildings, and Connissioner of Public Works, you are hereby notified that your petition to install a 3000 gallon tank for the storage of gracline in the sidewalk at the Department of Public Work's garage of 84 Manover Street is approved, provided, said installation is made in accordance with the State of Maine, Insurance Department's, itales and Regulations Relating to Gasoline and other Flemmable Liquids of April 1947, and in accordance with the Building Code of the City of Portland.

City Denager

Inspector of Buildings

Commissioner of Public Works

GHM/mr cc: City Clerk Building Inspector

### City of Portland, Mainr

IN THE CITY COUNCIL

October 20, 1947

TO THE CITY POUNCIL OF THE CITY OF CRILAND

The Eccartment of Public Works request permission to install a 3000 gallon tank for rasoline under the sidewalk at the garage at number 84 Hanover Street.

City of Portland Department of Public Works

By (George H. May)
Commissioner of Public Monta

EXTER-OFFICE CORRESPONDENCE

### CITY OF PORTLAND, MAINE

PUBLIC WORKS DEPARTMENT

To : Warren McDonald, Director of Building InspectionDAIR: May 20, 1948

From George H. May

Subject: 3,000 gallon gasoline tank at 78 Hanover Street

We hereby apply for a permit for the installation of a  $\cdot$  3,000 gallon gasoline tank at No. 78 manover Street, at our department garage.

You will remember that this departments petition for this tank was granted in accordance with conditions set forth in letter dated March 17, 1948 addressed to this department and signed by the City Manager, Inspector of Buildings and the Commissioner of Public Works.

I am forwarding to you herewith a blue print, showing the location of this gasoline tank.

Commissioner of Public Works
