Re: 1-3 Grant Street

Dear Sir:

During an inspection in your area it was apparent that you are in violation of Part II Code of Ordinance, Chapter 12, Article II Section 12-24.

Sec. 12-24. Placement for collection; scavenging prohibited.

(a) Municipal collection. Suitable containers for collection shall be placed at the curb or on the esplanade between the sidewalk and the gutter not prior to 6:00 p.m. of the day before scheduled municipal collection. Containers placed in the public way on and after such time shall be considered as being intended for collection and, as such, shall be collected by none other than the authorized collector of the public works authority. All containers shall be removed prior to 8:00 p.m. on the day of scheduled collection. Such suitable containers shall be covered or securely tied as to prevent spillage, wind blown littering, or the ingress or egress of flies, rats or other vermin. No person except the occupant, owner of the premises, or the public works authority shall remove, take or otherwise disturb the waste matter, or any portion thereof so placed for removal.

Found in violation of this ordinance section can and will result in action under Chapter 12, Article II Section 49 of the Municipal Code.

Sec. 12-49. Failure to comply with order of health authority or chief of police.

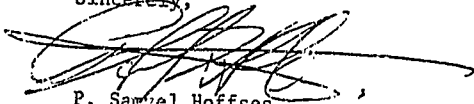

(a) Whenever any person shall have been duly notified to remove any of the substances mentioned in this article, or to perform any other act or thing which it may be his duty to perform for the preservation of the health of the city and the time limit for the performance of such duty shall have elapsed without a compliance of such notice, the chief of police or health authority shall forthwith cause such substance to be removed at the expense of the person so notified. The chief of police or health authority shall cause all persons who shall violate or disobey any provision of this article to be prosecuted and punished.

(b) If, in the opinion of the health authority, it shall be for the health or comfort of the inhabitants of the city that any particular substance should be removed forthwith and without delay, it shall be his duty to cause the same to be removed accordingly. If the substances existed in violation of this article, or of any of the laws, regulations, or ordinances relating to the health of the city, then the expense of removing the same shall be paid by the owner or occupant of the house, or other place where the same was found, and if payment be refused on demand therefor by the chief of police, it shall be sued for in the name of the city. (Code 1968, §306.4)

Your assistance in this matter would be greatly appreciated.

Sincerely,

P. Samuel Hoffses
