TO: Bath Marine Museum

With relation to permit applied for to demolish -----
single story wooden frame bldg. belonging to Bath Marine Museum
501-511 Commerical Street
at ~~285 Front Street Bath Maine~~, it is unlawful to
commence demolition work until a permit has been issued from this
department.

Section 6 of the Ordinance for rodent and vermin control
provides, "It shall be unlawful to demolish a building or structure
unless a provision is made for rodent and vermin eradication. No
permit for a demolition of a building or structure shall be issued
by the Building and Inspection Services Department until and
unless provisions for rodent and vermin eradication have been
carried out under supervision of a pest control operator registered
with the Health Department."

The building permit for demolition cannot be issued until the
provisions of this section have been satisfied. It is the
obligation of owner or demolition contractor or both to take up
with the Health Department the matter of complying with this
section, being prepared to inform that department what registered
pest control operator is to be employed.

Very truly yours,

R. Lovell Brown
