Dear Mrs. Ingraham:

An examination was made on November 11, 1971 of the premises located at 67 Brackett Street, Portland, Maine by Rehabilitation Specialist Max Furrer. Violations of Municipal Codes relating to housing conditions were found as described below.

In accordance with the provisions of the above named codes you are required to correct these defects. Some repairs or improvements will require permits which are obtained from the Building, Health, Fire or other City Departments.

Financial assistance and construction advice are available from the federal government, by contacting the Neighborhood Development Program office at 247 Danforth Street, 774-3611. Please call us to discuss these before beginning work on your property.

Very truly yours,
