Mrs. Grace E. McNeil 48 Avon Street Portland, Maine

Subject: Permit for erection of fire / escape on rear of building at 48 Avon Street

Dear Madam:

A permit for the above work is being issued to Maine Metals, Inc. lesuance of this permit is to be taken in no way an approval by this demeans of the fire escape as regards its adequacy as to location and means of reaching it to provide a second means of egress from the upper floors of your building in compliance with law. Such a matter is under the control of the Chief of the Fire Department, who should be consulted concerning it if that has not already been done.

The Building Gode specifies that a window giving access to a fire escape shall afford an opening at least 24" wide and 23' high for double-hung windows and 24" wide and 36" high for awinging windows. If the existing windows do not meet these requirements, it is possible they will need to be made to do so.

Very truly yours,

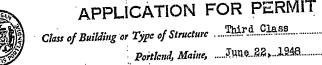

Inspector of Buildings
