CITY OF PORTLAND, MAINE  
IN THE BOARD OF APPEALS

MISCELLANEOUS APPEAL

Ralph Grant, owner of property at 110 Park Street  
under the provisions of Section 24 of the Zoning Ordinance of the City of Portland,  
hereby respectfully petitions the Board of Appeals to permit: changing the use of a one  
family dwelling to a five family apartment house with one family on the first and second  
floors and two families each on the third and fourth floors. This permit is presently  
not issuable under the Zoning Ordinance because in the R-6 Residential Zone where the  
property is located, the area of the lot on which this section of the building sets is  
only 2,650 square feet instead of the minimum of 5,000 square feet (1,000 square feet  
per family) required by Section 602.7B.8 of the Ordinance.

LEGAL BASIS OF APPEAL: Such permit may be granted only if the Board of Appeals find  
that enforcement of the terms of the Ordinance would result in undue hardship and  
desirable relief may be granted without substantially departing from the intent and  
purpose of the Ordinance.

Ralph Grant x  
APPELLANT

DECISION

After public hearing held March 12, 1970, the Board of Appeals finds that  
enforcement of the terms of the Ordinance would result in undue hardship and  
desirable relief may be granted without substantially departing from the intent  
and purpose of the Ordinance.

It is, therefore, determined that such permit may be issued.

Dear Mr. and Mrs. Taylor:

At the meeting of the Board of Appeals on Thursday evening, April 12th, 1990, the Board voted by a vote of five in favor to one opposed to grant your conditional use appeal for a home occupation (baking cookies for sale at local stores and delis) in the R-6 Residence Zone. The board found that such a use is similar to and no more objectionable than those home occupations listed in Section 14-410 of the City Zoning Ordinance.

You may now apply for a change of use from single family to single family with a home occupation (baking cookies for sale off the premises) in the R-6 Residence Zone. Such application should show a floor plan for the location of your home occupation within the building and its proximity to outside exits. Such plans have to be reviewed by the Fire Department for emergency egress.

A copy of the Board's decision is enclosed for your records.

Sincerely,

*Warren J. Turner*
