CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

August 9, 1971

James Seavey
11 Leane St.

With relation to permit applied for to demolish a building or portion of building at 9-11 Deane Street (gar.) it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the Ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspection Department until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department."

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

R. Lovell Brown
Director

CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

James D Ceavey
11 Deane St.
Portland Maine

August 10, 1964

Dear Sir:

With relation to permit applied for to demolish a building or (1-car garage)
portion of building at #9-11 Deane St. it is unlawful to
commence demolition work until a permit has been issued from this
department.

Section 6 of the ordinance for rodent and vermin control pro-
vides: "It shall be unlawful to demolish any building or structure
unless provision is made for rodent and vermin eradication. No permit
for the demolition of a building or structure shall be issued by the
Building Inspector until and unless provisions for rodent and vermin
eradication have been carried out under supervision of a pest control
operator registered with the Health Department.

The building permit for demolition cannot be issued until the
provisions of this section have been satisfied. It is the obligation
of owner or demolition contractor or both to take up with the Health
Department the matter of complying with this section, being prepared to
inform that department what registered pest control operator is to be
employed.

Very truly yours,
