Gentlemen:

Upon inspection of the above job on Dec. 5, 1963, no instruction card as to safe operation of the equipment was found posted near the assembly as required by law. It is important that this instruction card be permanently posted near the assembly before Dec. 12, 1963. The owner should understand that this instruction card is important, that he or his employees may know what to do especially at time of emergency, and that he is entitled to this instruction card as well as any other part of the equipment.

Very truly yours,

A. Allan Soule
