Appeal to the Municipal Officers to Change the Decision of the

Inspector of Buildings Relating to the Property Owned

by Henry P. King at 315 Brackett Street

January 16, 1923

To the Municipal Officers:

Your appellant, Henry P. King

who is the owner of property at 315 Brackett Street

respectfully petitions the Municipal Officers of the City of Portland to change the decision of the Inspector of Buildings relating to this property, as provided by Section 13, Paragraph c of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case involves unnecessary hardship and because relief may be granted without substantially derogating from the intent and purpose of the Zoning Ordinance.

The decision of the Inspector of Buildings denies a permit to extend and build roof over one story piazza attached to the dwelling house on the above property on the ground that this proposed construction is closer to both side and rear lot lines than is permitted in the Apartment House Zone where the property is located.

The reasons for the appeal are as follows:

The appellant has recently come into possession of the above property and the building which has existed for many years is located on a very narrow and very shallow lot and need is felt of a suitable piazza with a shelter over the same so that it may be comfortable for persons sitting upon the piazza and because sufficient room is needed to hang clothes to dry. There is no intention of enclosing this piazza.

27/5

January 29, 1929

Mr. Harry P. King  
12 Monument Square  
Portland, Maine.

Dear Sir:

The Committee on Zoning and Building Ordinance Appeals will hold a public hearing in Room 36, City Hall, Friday, February 1st at four o'clock in the afternoon upon your appeal seeking a change in the decision of the Inspector of Buildings with relation to a proposed piazza at 315 Brackett Street.

Please make arrangements to be present or to be represented in support of your appeal at this hearing as failure to be so represented will be considered equivalent to withdrawal of the appeal and so reported to the Board of Municipal Officers.

COMMITTEE ON ZONING AND BUILDING ORDINANCE  
APPEALS.

29/5

Public Hearing Upon the Appeal of Henry P. King at  
315 Brackett Street.

February 2, 1929.

A public hearing upon the appeal of Henry P. King seeking a change in the decision of the Inspector of Buildings so that a one story open piazza with roof over the same might be constructed at 315 Brackett Street was held before the Committee on Zoning and Building Ordinance Appeals, Friday afternoon, February 1st.

Mr. King appeared in support of the appeal, and there were no opponents. Messers. Boyd, Wallace and Mrs. Stevens and the City Manager were present representing the City.

No additional information other than contained in the original appeal was received except for the fact that Mr. King stated that there were no objections on the part of the nearby property owners.

Inspector of Buildings.

To the Board of Municipal Officers:

The Committee on Zoning and Building Ordinance Appeals to whom was referred the appeal of Mr. Henry P. King seeking a change in the decision of the Inspector of Buildings so that a one story piazza may be constructed at 315 Brackett Street closer to both side and rear lot lines than otherwise permitted, reports as follows:

A public hearing has been held upon this appeal at which no opponents appeared.

It is the belief that enforcement of the Zoning Ordinance in this case involves unnecessary hardship and that desirable relief may be given without substantially denegating from the intent and purpose of the Zoning Ordinance.

Recommended that the appeal be sustained and the permit granted.

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals will hold a public hearing upon the appeal of Henry P. King with relation to a building at 315 Brackett Street in Room 35, City Hall, Friday afternoon, February 1st at four o'clock.

The appellant desires to build a one story piazza with roof over the same closer to his westerly property line and to his rear property line than is permitted by the terms of the Zoning Ordinance in the Apartment House Zone in which the property is located.

All persons interested either for or against this appeal will be heard at the above time and place.
