Appeal to the Municipal Officers to Change the Decision of the

Inspector of Buildings Relating to the Property Owned  
Leonard W. Tattrie  
by & Ruth A. Tattrie at 71 Carleton Street

June 15, 1935.

To the Municipal Officers:

Your appellants, Leonard W. & Ruth A. Tattrie  
are  
who are the owners of property at 71 Carleton Street

respectfully petition the Municipal Officers of the City of Portland to change the decision of  
the Inspector of Buildings relating to this property, as provided by Section ~~17~~<sup>34</sup> Paragraph b,  
of the ~~Building~~<sup>Building</sup> Ordinance, on the ground that the enforcement of the ordinance in this case  
involves unnecessary hardship and because relief may be granted without substantially der-  
ogating from the intent and purpose of the ~~Building~~<sup>Building</sup> Ordinance.

The decision of the Inspector of Buildings denies a permit for the erection  
of a one story addition on the rear of the dwelling house at the above location,  
in order to provide room for the storage of one automobile, on the ground that  
the proposed addition would occupy more of the rear yard area than is permissible  
under the present terms of the ~~Building~~<sup>Building</sup> Ordinance.

The reasons for the appeal are as follows: The appellant has at present no  
facilities for storing an automobile on his property and in order to provide  
such a space desires to convert a portion of an existing shed together with the  
proposed addition to such a use. He feels that such an addition may be built  
without injuring his or the surrounding property and without departing from the  
spirit and intent of the ~~Building~~<sup>Building</sup> Ordinance.

Portland, Maine.

Dear Sir & Madam:-

The Committee on Zoning and Building Ordinance Appeals of the Board of Municipal Officers will hold a public hearing at Room 55, City Hall, Monday, June 17, 1935 at 11:00 o'clock in the forenoon upon your appeal with relation to the construction of a small addition to your dwelling house at 71 Carleton Street, corner of Brackett Street.

You are expected to be present or to be represented at this hearing in support of your appeal.

COMMITTEE ON ZONING AND BUILDING  
ORDINANCE APPEALS

Philip J. Deering, Chairman

35/25

June 17, 1955

To the Municipal Officers:-

The Committee on Zoning and Building Ordinance Appeals to whom was referred the appeal of Leonard W. & Ruth A. Tattrie with relation to the construction of an addition upon the rear of their dwelling house to provide room for a single car garage at 71 Carlston Street, corner of Brackett Street, reports as follows:

It is the belief of this Committee that failure to grant this permit involves unnecessary hardships and that desirable relief may be granted without substantially departing from the intent and purpose of the Building Code.

It is recommended that the appeal be sustained and that the permit be granted subject to full compliance with the terms of the Building Code.

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the Board of Municipal Officers will hold a public hearing at Room 35, City Hall, Monday, June 17, 1935 at eleven o'clock in the forenoon upon the appeal of Leonard W. & Ruth A. Tattie with relation to a small addition to their property at 71 Carleton Street, corner of Brackett Street.

The appellants desire to construct a small one story addition at the rear of the existing dwelling house so that accommodations may be provided partly in the existing first story and partly in the addition for a single car garage. The Inspector of Buildings was unable to issue the permit for this construction work because the proposed addition would exceed the percentage of area occupancy of the rear yard allowed by the precise terms of the Building Code. The proposed addition would be twelve feet from the street line of Brackett Street and four feet from the rear property line.

All persons interested either for or against this appeal will be heard at the above time and place.

PUBLIC HEARING ON THE APPEAL OF LEONARD W. & RUTH A. TATTRIE  
AT 71 CARLETON STREET, CORNER OF BRACKETT ST.

June 17, 1935

A public hearing on the above appeal was held before the Committee on Zoning and Building Ordinance Appeals today. Present for the City were Counselors Deering and Carleton and the Inspector of Buildings.

Louis Barnstein appeared as attorney for the appellants. He called upon Alton T. Maxim to describe the proposed structure. Mr. Barnstein also introduced a Mr. Barbour who is a prospect purchaser of the Tattrie property and who would apply for the actual permit when construction was to take place, if the appeal is sustained. Mr. Barbour assured the Committee that he intended to put shingles on the sides of the entire property and make general improvements in its appearance since he is proposing to use the property as his home and that it would not be necessary to disturb the existing tree on the curb line of Brackett Street located near the entrance to the proposed garage.

Irving Maxwell represented Mrs. Franklin Bickford who owns the property next door on Brackett Street. Mr. Maxwell said that Mrs. Bickford had no objection to the construction of the garage but had him present merely to protect her rights in the right of way which runs between the Bickford and Tattrie property.
