MISCELLANEOUS APPEAL

Mrs. Margaret Fauchnan, owner of property at 136-136 Brackett Street
under the provisions of Section 24 of the Zoning Ordinance of the City of Portland, hereby
respectfully petitions the Board of Appeals to permit: changing the number of apartments
in the building from three to four. This permit is presently not issuable under the

Dear Mrs. Faughnan:

TO: Building Permit for changing from three apartments to four apartments at the above named location, with two apartments on the first floor and one apartment in each of the second and third floors. is not a viable (under the Zoning Ordinance, Section 7-B-3, which applies to B1 Business Zone) because the lot area is only about 2,700 square feet instead of the 4,000 square feet that is required in the building at 136-138 Brackett Street.

We understand that you desire to exercise your appeal rights in this matter. In order to do so, you will need to come to this office in Room 110, City Hall, where forms are available for filing of the appeal. It is only about 2, 40 square feet. Instead of the 4,000 square feet that is required.
