Memorandum from Department of Building Inspection, Portland, Maine

A.P.- 81 Gray Street

Nov. 6, 1964

Mr. A. E. Upham
81 Gray Street

Dear Mr. Upham:

Building permit is being issued to erect a non-bearing partition to divide one room into two and to remove 60 per cent of another partition as per your plans with an understanding as follows:

1. It is understood that there is to be but two kitchen facilities and that this dwelling is to otherwise retain its status as a two family dwelling. Should any increase in the occupancy be desired in the future, then the change of use and any alterations will need to be done under a separate permit. Any increase in the occupancy would probably be subject to a zoning appeals board hearing and decision.

Very truly yours,

Gerald E. Mayberry
