Issued March 6, 1953  
Expires April 6, 1953

Mrs. Sophia Kalesnick  
58 Clark Street  
Portland, Maine

Dear Sir:

On February 10, 1953  
58 Clark Street

an examination was made of the premises located at

Non-compliance with the ordinances relating to housing conditions was found as detailed below. In accordance with the provisions of the above ordinance, you are hereby ordered to correct these defects according to specifications within the time limits allowed. Failure to comply with this notice will necessitate legal action.

Some repairs or improvements required will necessitate permits which are to be obtained from the Building Inspector, Health, Fire or other City Departments. These must be obtained before the work is started. If any additional information is desired, visit or telephone the Housing Supervisor at this Office, telephone 4-1431, extension 226. Kindly notify this office as soon as all corrections have been completed.

Very truly yours,  
Edward W. Colby, M.D.  
Health Director

By \_\_\_\_\_  
Housing Supervisor

### VIOLATIONS & SPECIFICATIONS

## Responsibility of Owner or Agent      \*\* Responsibility of Occupant

- ## Basins
  - a) Install cleanout doors at the bases of both chimneys.
- ## Structural Repairs

Repair and put in good order all dilapidated and hazardous parts of the structure as follows:

  - a) Repair or replace the hole in the front cellar foundation.
  - b) Determine the reason and remedy the condition which is now causing an odor of fuel gas in the front part of the cellar.
- \*\* Electrical Equipment

Check and have repaired all defective electric wiring and electrical fixtures throughout the structure.

  - a) Install convenience outlets in all the rooms throughout the structure where there is a dangerous, excessive use of extension cords. Particular attention is directed to the sub-basement extension cord arrangement in all the rooms throughout the first floor apartment and in all the rooms throughout the second floor apartment. (Flexible cord shall not be used as a substitute for fixed wiring of a structure; wires run through holes in walls, ceilings, and floors; wires run through doorways, windows, or similar openings; wires attached to building surfaces; or wires concealed behind building walls, ceilings, or floors.) Immediately upon receipt of this notice, disconnect and do not connect again all extension cords in all the rooms that are plugged into fixtures. The extension cords being nailed to wall, floor and ceiling surfaces, pass through doorways and through walls, all of which is unsafe and an extreme fire hazard.
- \*\* Household and Sanitary Conditions

Accomplish a general cleanup of the cellar by removing and properly disposing of all trash, litter, filth and debris.

The above mentioned conditions are in violation of the City Ordinance "Minimum Standards for Continued Occupancy", "Authority (CVR)
