Issued March 13, 1969
Expires April 13, 1969

Mr. Frank G. Adams, Jr.
15 Thomas Street
Portland, Maine 04102

Dear Sir:

On February 13, 1969

an examination was made of the premises located

at 15 Thomas Street, Portland, Maine

Non-compliance with the ordinances relating to housing conditions was found as detailed below.

In accordance with the provisions of the above ordinance, you are hereby ordered to correct these defects according to specifications within the time limits allowed. Failure to comply with this notice will necessitate legal action.

Some repairs or improvements required will necessitate permits which are to be obtained from the Building Inspector, Health, Fire or other City Departments. These must be obtained before the work is started.

If any additional information is desired, visit or telephone the Housing Supervisor at this Office, Tel. 774-8221, extension 220. Kindly notify this office as soon as all corrections have been completed.

Very truly yours,
Health Director

Housing Supervisor

VIOLATIONS & SPECIFICATIONS

Responsibility of Owner or Agent

** Responsibility of Occupant

STRUCTURAL

Repair and put in good order all deteriorated and hazardous parts of the structure as follows:

1. Determine the reason and remedy the condition which causes the railing on the rear porch to be loose.
2. Have the outside front steps painted.
3. Have the foundation pointed on all sides.
4. Have the bricks pointed on all sides of the structure.
5. Determine the reason and remedy the condition which causes the paint on the trim to be chipped.
6. Repair or replace the loose, worn, deteriorated parts of the bulkhead door and frame.
7. Repair or replace the worn and deteriorated gutter on the front of the structure.
8. Repair or replace the loose, worn and deteriorated downspouts on all sides of the structure.
9. Repair or replace the loose, cracked and sagging plaster on the ceiling in the third floor hall.
10. Determine the reason and remedy the condition which causes the windows to be loose in the kitchen, den and right rear bedroom on the second floor.
11. Repair the old window sashes or install new window sashes in the den so that they may be properly opened and closed.
12. Repair or replace the loose, cracked and remaining plaster on the bathroom ceiling on the second floor.

HEATING

- a. Install a safety valve for the furnace.

PLUMBING

Check and have repaired all defective plumbing and plumbing fixtures throughout the structure.

- a. Repair or replace the defective hot water tank.
- b. Correct the condition of the fixture that causes a cross connection at the bathtub.

ELECTRICAL

Check and have repaired all defective electric wiring and electrical equipment throughout the structure.

- a. Install a main shut-off switch for the electrical system.
