Dear Madam & Sirs:

Inspection of the premises in connection with application for building permit to finish off inside of attached shed and cut in new windows in same at the above location reveals that the foundation and framing of the shed is very much substandard as regards compliance with requirements of the Building Code.

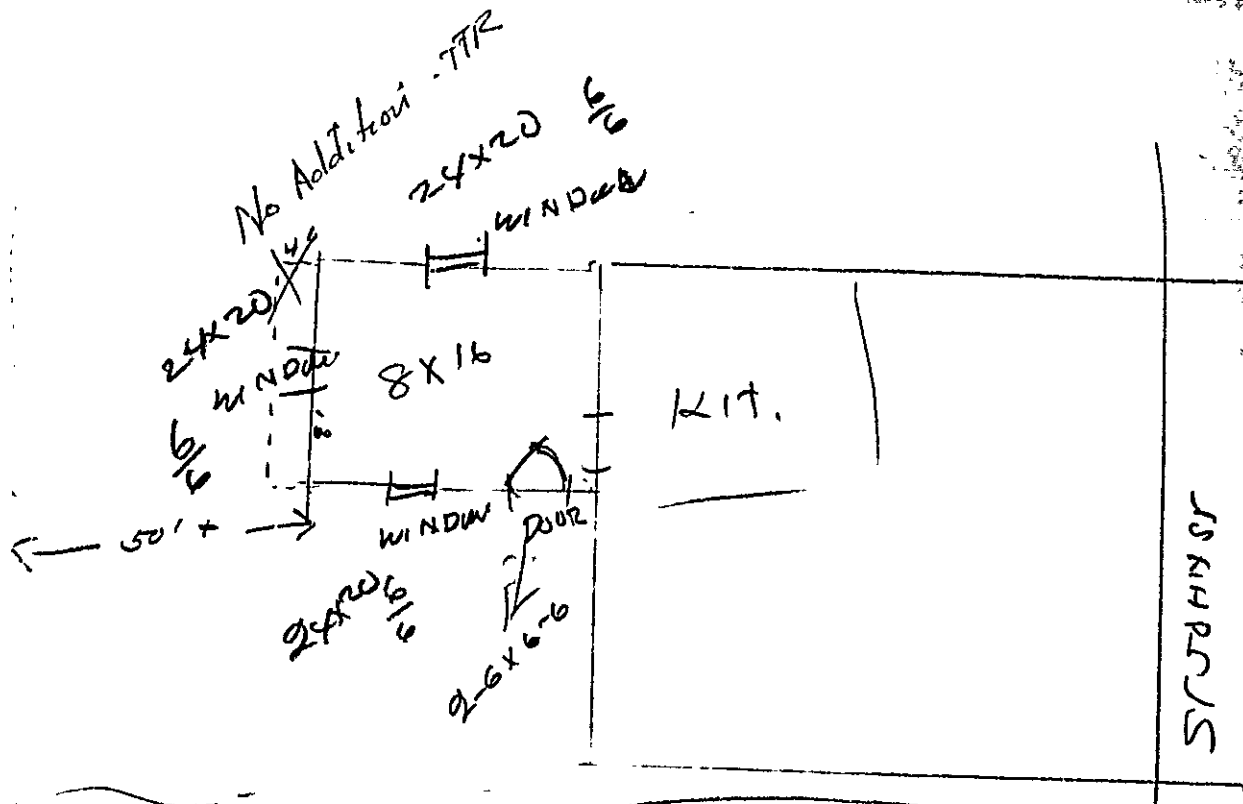

We shall therefore be unable to issue a Building permit for the above construction until sufficient information is furnished to indicate how you propose to correct these substandard conditions.

Very truly yours,

Theodore T. Rand
