FROM: David Lourie, Corporation Counsel
DATE: June 22, 1989
RE: 1187 - 1189 Congress Street (First Floor)

On June 21, 1989 I received a call from a Morris Silver, who owns the adjacent property at 1199 Congress Street complaining about conditions in the first floor of a two-family dwelling at the above referenced address.

Mr. Silver told me about a contract dispute that was ongoing over the purchase of that building between Peter Anania and him. He told me that Mr. Anania used your office several times to harass him (Silver) and that he was recently on the first floor of the building next door and found what he felt were appalling conditions of sanitation (defecation, garbage, asbestos, and other materials). He said that he had told Hugh Irving about this on his last visit to his (Silver's) property.

I explained to Mr. Silver that the most I could do with his issues was to refer them to your department, which I am now doing.
