Re: 84-J-9, & 10

Dear Mr. Boyd:

This is in reference to your proposed greenhouse addition on the rear of your residence on Peaks Island. Your application does not include a sketch showing the dimensions of your land, the location of your 2-family structure, or the measurements between the proposed addition and the side and rear distances to the property lines, both sides and rear.

When we receive this additional detailed information, we can then probably issue the permit which you seek, provided zoning setbacks are in compliance with the City Zoning Ordinance.

Sincerely,

Warren J. Turner
Zoning Specialist
