Appeal to the Municipal Officers to Change the Decision of the

Inspector of Buildings Relating to the Property Owned

by Laura E. Temple at Herman Ave., Peaks Island

December 21, 19 36

To the Municipal Officers:

Your appellant, Laura E. Temple

who is the Owner of property at Herman Ave., Peaks Island

respectfully petitions the Municipal Officers of the City of Portland to change the decision of the Inspector of Buildings relating to this property, as provided by Section 13, Paragraph c. of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case involves unnecessary hardship and because relief may be granted without substantially derogating from the intent and purpose of the Zoning Ordinance.

The decision of the Inspector of Buildings denies the right to establish and maintain a coal and wood business on this property because such a use is not ordinarily permissible under the precise terms of the Zoning Ordinance in the Apartment House Zone where the property is located, and also denies a permit to construct a one story addition to an existing shed closer to the street line of Herman Avenue than is ordinarily permitted in the Apartment House Zone where the property is located.

The reasons for the appeal are as follows: The appellant having purchased an existing coal and wood business located on the island has without knowledge or intent of violating the Zoning Ordinance established this business on this property on which his home is also located. This coal and wood business is the only business of that character on Peaks Island and a great hardship will be worked upon the appellant if he were to be forced to move the business to one of the Business Zones on the island. It is his belief that he is serving a community need and that the establishment would never be objectionable to surrounding property in any way.

PUBLIC HEARING ON THE APPEAL OF LAURE E. TEMPLE, HERMAN AVENUE, PEAKS ISLAND

January 15, 1937

A public hearing on the above appeal was held before the Committee on Zoning and Building Ordinance Appeals today. Present for the city were Councillor Eskilson and the Inspector of Buildings.

Mrs. Temple appeared in support of her appeal and there were no opponents present. Mr. Carlson, of Peaks Island who said he represented the Forest City Improvement Association of about 25 or 30 members reported that the association was hopeful that the appeal would be sustained as the members feel that it would be better to have this business upon the side street where it is now located rather than down on Island Avenue where the business zones are located.

To The Municipal Officers:

The Committee on Zoning and Building Ordinance Appeals to whom was referred the appeal of <sup>Miss</sup> ~~Miss~~ A. Temple with relation to the use of a shed for the retail sale of coal and wood on her property at Herman Avenue, Peaks Island, reports as follows:

It is the belief of this Committee that failure to grant this permit involves unnecessary hardships and that desirable relief may be granted without substantially departing from the intent and purpose of the Zoning Ordinance.

It is recommended, therefore, that the appeal be sustained and that the permit be granted subject to full compliance with all terms of the Building Code.

BOARD OF MUNICIPAL OFFICERS  
COMMITTEE ON ZONING AND BUILDING ORDINANCE APPEALS

January 4, 1937

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the Board of Municipal Officers will hold a public hearing at the City Council Chamber, City Hall, on Friday, January 15, 1937 at 11:00 o'clock in the forenoon upon the appeal of Laura E. Temple with relation to the use of her property on Herman Avenue, Peaks Island.

Unaware of the regulations of the Zoning Ordinance, the appellant has permitted a small retail business in coal and wood to be established on these premises, the property being located in an Apartment House Zone under the Zoning Ordinance where such a use of the property is not ordinarily permissible. The appellant seeks the right to maintain and continue this business on the property, and also the right to locate a small one story addition to the existing shed closer to the street line of Herman Avenue than is ordinarily permitted under the Zoning Ordinance.

All persons interested either for or against this appeal will be heard at the above time and place, this notice having been sent to the owners of property within 500 feet of the premises in question, as required by law.

Petition to the City Council to Permit  
a Gasoline Filling Station

On the Property at Herman Ave., Peaks Island, Maine

February 28, 19 37

To the City Council

Your petitioner, Laura Temple  
who is the owner of property at Herman Avenue, Peaks Island, Maine  
respectfully petitions the City Council of the City of Portland to permit  
on this property, a gasoline filling station, such use being otherwise  
excluded, the property being located in an Apartment House Zone.

Attached hereto are the written consents to this proposed use of the  
owners of seventy-five per cent of the frontage set forth in Section 10,  
Paragraph f of the Zoning Ordinance.

37/42

PUBLIC HEARING ON THE PETITION OF LAURA TEMPLE FOR A GASOLINE FILLING STATION  
AT HERMAN AVENUE, PEAKS ISLAND

May 14, 1937

A public hearing on the above appeal was held before the Committee on Zoning and Building Ordinance Appeals today. Present for the city were Councillors Leighton, Ward and Eskilson, Corporation Counsel Payson and the Inspector of Buildings.

Mrs. Temple appeared in support of her appeal and there were no opponents present. The Committee took notice of a note from William L. Berryman supporting the appeal and a letter from Mrs. M. Caruso, opposing the filling station.

Mr. Eskilson called attention to the fact that there appeared still to be refuse material or equipment on the property as shown in the photograph and the Committee reiterated their idea that something should be done to get the situation cleared up.

Warren McDonald

To The City Council:

The Committee on Zoning and Building Ordinance Appeals to whom was referred the petition of Laura Tempie, seeking the right to establish and maintain a gasoline filling station on her property on Herman Avenue, Peaks Island, reports as follows:

The Commissioner of Public Works reports that written consents of the owners of neighboring property frontage to this establishment, required by Section 10, Paragraph f of the Zoning Ordinance, are on file with the City Clerk.

A few months ago the Municipal Officers sustained an appeal under the Zoning Ordinance to allow on this same property a fuel business. It is the belief of this Committee that the business of selling gasoline will not add objectionable features to the neighborhood.

It is recommended, therefore, that the petition be granted but that the building permit covering installation of tanks, pumps and piping shall not be granted until the miscellaneous barrels, drums, automobile wheels and other material or equipment, whether usable or waste, now stored in the open air on the premises be removed from the premises or placed inside of buildings; and until the petitioner has agreed in writing to keep the premises in a clean and orderly condition and to refrain from storing material or equipment, except pumps necessary to the sale of gasoline and oil, in the open air on the premises.

Dear Mr. Lighter,

I am writing in reply to the letter you sent us in regard to the filling station on Pecks Island. We are not in favor of it. We did not want the Temples to put up a store. A few months ago, but I have since heard that they have put one up practically in our back yard. We are against the filling station.

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the City Council will hold a public hearing at the Council Chamber, City Hall, on Friday, May 14, 1937, at eleven o'clock in the forenoon upon the petition of Laura Temple, who seeks a permit from the City Council to establish and maintain a gasoline filling station on her property on Herman Avenue, Peaks Island.

The Inspector was unable to issue a permit for the filling station, under the precise terms of the Zoning Ordinance, because the property is located in an Apartment House Zone where such a use of premises is not ordinarily permissible.

The petitioner has furnished the written consents to the proposition of the owners of certain property frontage in the neighborhood.

File: Rept. 92128-I

May 19, 1937

Mrs. Laura Temple,  
Herman Avenue,  
Peaks Island, Maine

Dear Madam:

On May 17, 1937 the City Council directed the undersigned to issue the permit applied for to cover installation of tanks, pumps and piping to establish a gasoline filling station on your property on Herman Avenue, Peaks Island, but only after you have removed or caused to be removed all miscellaneous barrels, drums, automobile wheels and other material or equipment, whether usable or waste, now stored in the open air on the premises or place such material and equipment inside of buildings and not until you have agreed in writing to keep the premises in a clean and orderly condition, to refrain from storing material or equipment, except when necessary to the sale of gasoline and oil, in the open air on the premises.

On account of the fact that the Municipal Officers only a few weeks ago granted you the right to conduct a business in this Apartment House Zone and that they specifically stated that you were not to store miscellaneous equipment and material in the open air on the premises, the Appeals Committee was surprised to find from the photographs which we furnished them that miscellaneous equipment and material are being stored in the open air on your premises. This is the reason for the conditions attached to granting the permit for the filling station.

It will be necessary for you to clean up all of this miscellaneous equipment and material, remove from the premises or stored permanently inside of the buildings on the premises. As soon as this has been done please notify the undersigned for reposition of the premises, and we will prepare the written agreement for you to sign as regards storage of such equipment and material on the premises in the future, as stipulated by the order of the City Council granting the filling station.

You are no doubt aware of the fact that it is necessary to secure an annual license to store gasoline in tanks on the premises, and the Municipal Officers will no doubt have this question of storage of equipment and material in the open air on your premises in mind when your license for storage of gasoline comes up for approval or renewal.

Very truly yours,

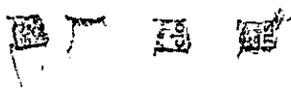

CC: Valvoline Oil Co.  
Attention Mr. Geo. Bradbury

Inspector of Buildings

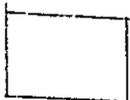

STATEMENT OF AGREEMENT CONCERNING PROPOSED GASOLINE FILLING STATION ON THE LAND  
OF LAURA TEMPLE ON HERMAN AVENUE, PEAKS ISLAND

May 19, 1937

1. This agreement is to be considered as much a part of the application for the building permit as though written on the application form but failure to mention any requirement of the Building Code herein shall not relieve either owner or contractor from compliance therewith.
2. As consideration for granting a special permit to establish and maintain a gasoline filling station on this property, on the part of the City Council, the undersigned agrees for herself, her heirs, and assigns that the property will be kept clean and neat at all times and free from drums, barrels, parts of automobiles and all other material and equipment, whether waste or useable, (except necessary pumps and equipment permanently fastened in place to handle gasoline and oil). All such miscellaneous material or equipment, if necessarily kept on the property, will be kept inside of the buildings.
