Mr. A. F. Luckins,
Island Ave. Peaks Island,
Portland, Maine

Dear Sir:

Enclosed is the building permit covering construction of combined shed and greenhouse on your property at Island Avenue, Peaks Island, Corner of Willow Street.

Please note that in order to comply with Building Code requirements it will be necessary to make both floor joists and roof joists of the shed part no more than sixteen (16) inches from center to center of the joists, and be governed accordingly.

Very truly yours,

Inspector of Buildings.

MCS/T

STATEMENT ACCOMPANYING APPLICATION FOR BUILDING PERMIT

for Greenhouse & Storage Shed

at Island Peaks Island

Date Nov. 5, 1954

1. In whose name is the title of the property now recorded? Henry M. Russell
2. Are the boundaries of the property in the vicinity of the proposed work shown clearly on the ground, and how? by fence
3. Is the outline of the proposed work now staked out upon the ground? Yes If not, will you notify the Inspection Office when the work is staked out and before any of the work is commenced? _____
4. What is to be maximum projection or overhang of eaves or drip? 6"
5. Do you assume full responsibility for the correctness of the location plan or statement of location filed with this application, and does it show the complete outline of the proposed work on the ground, including bay windows, porches and other projections? Yes
6. Do you assume full responsibility for the correctness of all statements in the application concerning the sizes, design and use of the proposed building? Yes
7. Do you understand that in case changes are proposed in the location of the work or in any of the details specified in the application that a revised plan and application must be submitted to this office before the changes are made? Yes

This permit was issued under the provisions of the
 Ordinance of the City of St. Louis, Missouri, relating
 to the closing-in of streets, alleys, and public
 places, and the construction of bridges, viaducts,
 and other structures over the same. The permit
 is valid for the period of time specified herein
 and is subject to the conditions and restrictions
 set forth in the permit and the applicable
 ordinances. The permittee is responsible for
 the safe construction and maintenance of the
 work authorized by this permit. The permit
 is void if the work is not completed within
 the time specified herein. The permittee
 is required to keep the public places open
 to traffic at all times during the construction
 of the work. The permittee is also required
 to maintain the sidewalks and other public
 places in a safe and sanitary condition
 throughout the construction of the work.
 The permittee is required to pay for the
 cost of the construction of the work and
 for the cost of the maintenance of the
 public places during the construction of
 the work. The permittee is also required
 to pay for the cost of the construction of
 the work and for the cost of the
 maintenance of the public places during
 the construction of the work.
