Mr. William Small,

Dear Sir:

I am told that you have been applying roof covering to the cottage on Park Avenue, Peaks Island reported to be owned by Willie May Small without a permit from this department having been first secured as required by law.

If this is the case, it will be necessary for you to discontinue this work and come to this office at least by September 6, 1938 to see what may be done about this matter.

I would like to talk with you myself and for that reason it would be best for you to come sometime between the hours of one o'clock and three o'clock some day other than Saturday.

Very truly yours,
