Dear Mr. Daigle:

Acting on a complaint by a neighbor, this office telephoned you, and informed you that the keeping of chickens in the R-3 Residential Zone in which your property is located, was in violation of Section 602.4.A of the Zoning Ordinance which does not list the keeping of chickens under allowable uses in that zone.

You were merely asked to dispose of the chickens at the earliest opportunity. However, you said you felt you were being harassed by this office, and let me assure you that you are not being harassed by this office, as we are merely acting on a complaint by a citizen, which we do practically every day of the year.

We are not at liberty to divulge the name of the complainant, on advice from the Corporation Counsel.

Very truly yours,

R. Lovell Brown  
Director
