Appeal to the Municipal Officers to Change the Decision of the

Inspector of Buildings Relating to the Property Owned

by Beatrice Thompson at Island Avenue, Peaks Island

87-Y-28

October 8, 19 38

To the Municipal Officers

Your appellant, Beatrice Thompson

who is the owner of property at Island Avenue, Peaks Island

respectfully petitions the Municipal Officers of the City of Portland to change the decision of the Inspector of Buildings relating to the property, as provided by Section 13, Paragraph c, of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case involves unnecessary hardship and because relief may be granted without substantially derogating from the intent and purpose of the Zoning Ordinance

The decision of the Inspector of Buildings denies a permit to construct a one story frame addition on the side of the existing cottage on the above property because the addition is proposed closer to the rear property line than ordinarily permissible in the Apartment House Zone where the property is located.

The reasons for the appeal are as follows: The appellant desires this additional room for a bedroom. The proposed addition would line up with the existing outside wall of the cottage which has existed for many years closer to the rear property line than would now be permissible. To set the addition the required distance from the rear line would spoil the desired arrangement, and it is the belief of the appellant that the proposed work would not interfere with light and air of or increase the fire hazard to the adjoining property.

87-Y-27 next Margaret E. Randace (W. R.)  
c/o B. Ferrin, 3 Park St., Boston, Mass.

October 17, 1938

To The Municipal Officers:

The Committee on Zoning and Building Ordinance Appeals to which was referred the appeal under the Zoning Ordinance of Beatrice Thompson on Island Avenue, Peaks Island, relating to the construction of a one story addition to the cottage there, closer to the rear property line than ordinarily permitted, reports that the appeal ought to be sustained.

COMMITTEE ON ZONING AND BUILDING  
ORDINANCE APPEALS

Chairman

3/24  
that the appeal under the Zoning Ordinance of Beatrice Thompson at her property on Island Avenue, Pecks Island, relating to the construction of a one story addition to the cottage there, closer to the rear property line than ordinarily permitted in the Apartment House Zone where the property is located, be sustained and that a building permit be granted said appellant, subject to full compliance with all terms of the Building Code, and subject to the condition that the appellant shall provide, if found necessary, adequate roof drainage facilities for the proposed roof so that water from that roof will not run upon the adjoining property;

BECAUSE enforcement of the Ordinance in this specific case would cause unnecessary hardship by preventing the natural enlargement of the building; and desirable relief may be granted without substantially derogating from the intent and purpose of the Ordinance in that the location of the proposed addition would not interfere with light and air or increase fire hazard to the neighboring property.

36/83

Room 21, City Hall  
October 11, 1938

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the Municipal Officers will hold a public hearing at the City Council Chamber, City Hall on Friday, October 14, 1938 at 2 o'clock in the afternoon upon the appeal under the Zoning Ordinance of Beatrice Thompson who seeks the right to build a one story addition eight feet by twelve feet on one end of her cottage on Island Avenue, Peaks Island.

The Inspector of Buildings was unable to issue a building permit to cover this addition because the rear wall of the addition would be located only about two feet and six inches from the rear property line, much closer than ordinarily permitted for new work under the precise terms of the Zoning Ordinance.

All persons interested either for or against this appeal will be heard at the above time and place.

COMMITTEE ON ZONING AND BUILDING  
ORDINANCE APPEALS

Dear Madam:

The Committee on Zoning and Building Ordinance Appeals of the Municipal Officers will hold a public hearing at the City Council Chamber, City Hall, on Friday, October 14, 1938, at 2 o'clock in the afternoon upon your appeal under the Zoning Ordinance relating to construction of a one story addition to your cottage on Island Avenue, Peaks Island.

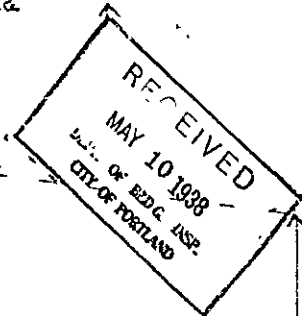

Please be present or be represented at this hearing in support of your appeal. Your contractor is receiving a copy of this notice.
